

C104*F1 Hybrid*

Origin:	Italy	
Breeder:	L'AGRICOLA S.r.L	
Contact:	agricola2@agricola.ws	
Type:	filler	
Description		
<p>This variety is a F1 hybrid and produces plants with a height of around 180cm. Its particular structure allows for a very good environmental stability. Very good adaptability to the short European maturing period although it needs of a good irrigation program. It can produce 25 usable leaves. Excellent quality index and very high yields. This variety is able to maintain its excellent commercial qualities unaltered in different environmental conditions. A low nicotine content and high quality allows this tobacco to be used in many specific blends.</p>		

MAIN CHARACTERISTICS

Resistances:	
Black root rot:	S
Powdery mildew:	S
Blue mold:	S
PVY:	T
TMV:	S
Nematodes:	nd
Other:	

Production data (2013):		
Country:	Acreage:	% of total acreage:
Italy		

T: tolerant – S: sensitive

nd: no data
